What is the Power Lab Vacation Bible School program? This year we will join the fun and adventure at Power Lab - where kids will discover Jesus' miraculous power! This VBS program has something planned for the entire family and will provide fun and memorable Bible learning activities for all ages. Each day your children will take part in fun Bible learning they can see, hear, touch, and even taste! Kids will take part in a hands-on mission project as we support Lutheran World Relief with their health kit project.
